01 INTRODUCTION

SkillChamp 2026 is a national-level, team-based employability competition organized by Connectiya — Bangladesh's #1 platform for career readiness and professional skills development. The competition is designed to identify the most employable university students across Bangladesh.

This kit is the complete guide for campus-level organizers and judges to execute the Campus Round independently. Every segment, rule, rubric, and scoring method is documented here.

□ *This is a TEAM competition. Winners are selected as the Champion Team, not as individuals. All 3 team members must participate in every segment.*

Core Philosophy

SkillChamp evaluates real-world employability skills — not academic performance or English fluency. A student from any department, at any GPA, can win if they demonstrate the right skills.

4 Core Evaluation Domains

□ Communication Speaking ability, clarity, fluency, professional expression	□ Leadership Initiative, guiding the team, decision-making under pressure	□ Problem Solving Logic, structured thinking, practical and scalable solutions	□ Emotional Intelligence Team behavior, empathy, self-awareness, pressure handling
---	---	--	--

02 TEAM STRUCTURE & ELIGIBILITY

- ▶ **Each competing unit is a TEAM of exactly 3 members**
- ▶ All 3 members must be enrolled university students
- ▶ All 3 members must be registered on connectiya.com before the event
- ▶ All 3 members must attempt the Aptitude Test — individual scores are averaged
- ▶ All 3 members must participate in the Presentation segment
- ▶ One member may speak for the Verbal Communication round (or rotate as instructed)
- ▶ Judges observe both individual performance and overall team performance

03 CAMPUS ROUND — FULL STRUCTURE

#	Segment	Marks	Type
1	Aptitude Test (MCQ)	35	Individual → Team Avg
2	Problem-Solving Presentation	30	Team (Judges Avg)
3	Verbal Communication Round	20	Individual / Representative
4	Judges Q&A	05	Team

5	Connectiya Courses Completion	05	Individual (verified pre-event)
6	Complete Connectiya Profile	05	Individual (verified pre-event)
TOTAL		100	

□ Courses (5 marks) and Profile (5 marks) must be verified **BEFORE** competition day. Enter these in the **SCOREBOARD** sheet of the judging Excel file.

04 ORGANIZER CHECKLIST — BEFORE COMPETITION DAY

☐	Confirm all participating teams (3 members each) are registered on connectiya.com
☐	Verify each participant has completed their Connectiya profile — award Profile marks (0–5) accordingly
☐	Verify Connectiya course completion for each participant — award Course marks (0–5) accordingly
☐	Enter Course and Profile marks in SCOREBOARD sheet of the judging Excel file
☐	Print or share this kit with all judges (minimum 2 judges for the Presentation segment)
☐	Prepare the competition venue: seating for audience, a presentation area, a judge panel table
☐	Prepare a topic draw box for the Verbal Communication segment (sample topics on page 7)
☐	Ensure projector or screen is available for team presentations
☐	Brief all judges with the RUBRIC GUIDE — allow 15 minutes for familiarization
☐	Confirm MCQ test platform or printed answer sheets for the Aptitude Test
☐	Open the Excel judging workbook and pre-fill team names and universities
☐	Assign each judge to their respective sheet (JUDGE 1 – PRES, JUDGE 2 – PRES)

05 SEGMENT 1 — APTITUDE TEST

Detail	Information
Format	Individual Written Test — MCQ
Total Questions	35 questions
Duration	30 minutes
Marking	1 mark per correct answer — NO negative marking
Team Score	Average of all 3 members' individual scores
Platform	Online (connectiya.com) or printed answer sheet (organizer's choice)

Question Distribution

Category	Questions	Marks
Verbal Reasoning	5	5
Quantitative Aptitude	5	5
General Knowledge (Bangladesh & Global)	5	5
Connectiya Soft Skills Courses (Communication, Leadership, EI, Teamwork, Professionalism, Career Readiness, Workplace Ethics, Time Management, Problem Solving, Collaboration)	20	20
TOTAL	35	35

Team Score Calculation Example

Member 1	Member 2	Member 3
28 / 35	30 / 35	32 / 35
Team Score = $(28 + 30 + 32) \div 3 = 30 / 35$		

06 SEGMENT 2 — PROBLEM-SOLVING PRESENTATION

This is the most important segment. Teams identify a real-world problem aligned with a Sustainable Development Goal (SDG) and present a practical, scalable solution. Judges evaluate both the quality of the idea and the quality of the team's soft skills in action.

Format & Rules

- ▶ Each team selects ONE real-life problem related to an SDG before competition day
- ▶ Teams prepare their presentation independently — organizers must NOT guide the topic
- ▶ Plagiarism and directly copied startup ideas are strictly prohibited
- ▶ All 3 members must actively participate in the presentation
- ▶ Teams may use slides if projector/screen is available, or present without slides
- ▶ Total presentation time: 5 minutes (including any judge interaction during presentation)
- ▶ Judges may ask brief clarifying questions after the presentation

What Teams Must Present

①	Problem Identification — Clearly define the problem and who it affects
②	Why This Problem Matters — Real-world impact, scale, urgency
③	Existing Gaps — What current solutions fail to address
④	Proposed Solution — Team's specific, practical idea
⑤	Expected Impact — Who benefits and how, linked to SDG
⑥	Feasibility & Sustainability — How it can be implemented and maintained
⑦	Team Reflection — Why this team chose this problem and solution

SDG Topic Areas — Teams Can Choose Any

SDG 1 — No Poverty	SDG 9 — Industry, Innovation & Infrastructure
SDG 2 — Zero Hunger	SDG 10 — Reduced Inequalities
SDG 3 — Good Health & Well-being	SDG 11 — Sustainable Cities
SDG 4 — Quality Education	SDG 12 — Responsible Consumption
SDG 5 — Gender Equality	SDG 13 — Climate Action
SDG 6 — Clean Water & Sanitation	SDG 16 — Peace, Justice, Strong Institutions
SDG 7 — Affordable Clean Energy	SDG 17 — Partnerships for the Goals
SDG 8 — Decent Work & Economic Growth	(Any SDG relevant to Bangladesh context)

Scoring Rubric — 30 Marks (6 Criteria × 5 Marks Each)

Criteria	Score	Descriptor — What the judge should look for
Problem Selection & SDG Alignment (/5 marks)	5	Problem is critically important, clearly mapped to a specific SDG, affects a large number of real people, and is well-researched with evidence.
	4	Problem is relevant and SDG-linked; mapping is mostly clear with minor gaps.
	3	Problem is real but the SDG connection is weak, vague, or explained poorly.
	2	Problem is unclear or barely related to any SDG or social issue.
	1	No SDG relevance; problem is trivial, directly copied, or not properly explained.
Solution Quality & Innovation (/5 marks)	5	Solution is innovative, directly addresses the root cause, practical, and goes meaningfully beyond existing options in the market.
	4	Solution is good and relevant but only partially addresses the root cause.
	3	Solution is generic; lacks innovation but is somewhat applicable.
	2	Solution is unclear, impractical, or does not address the problem properly.
	1	No clear or practical solution was presented.
Leadership & Teamwork (/5 marks)	5	All 3 members contributed equally with clear role division; strong team coordination evident throughout.
	4	Most members participated actively; good overall coordination.
	3	Some members dominated; participation was noticeably uneven.
	2	Only 1–2 members spoke; poor teamwork evident.
	1	No evidence of collaborative teamwork.
Emotional Intelligence & Empathy (/5 marks)	5	Deep human understanding demonstrated; team clearly addressed emotional and social impact on affected people throughout the presentation.
	4	Good empathy shown; human angle covered meaningfully.
	3	Surface-level acknowledgment of human impact only.
	2	Minimal consideration shown for people affected by the problem.
	1	No empathy or human angle present in the presentation.
Feasibility & Sustainability (/5 marks)	5	Fully implementable with a realistic plan; cost-effective, scalable, and long-term viable.

	4	Mostly feasible with minor gaps in sustainability planning.
	3	Partially feasible; significant implementation challenges remain unaddressed.
	2	Idea is interesting but not practically implementable as presented.
	1	No feasibility or sustainability thinking included.
Presentation & Delivery (/5 marks)	5	Confident, clear structure (Intro-Body-Conclusion), engaging delivery that holds judges' attention. Not judged on English accent.
	4	Good structure with minor delivery issues; mostly clear and followable.
	3	Average delivery; structure incomplete or hard to follow at times.
	2	Weak delivery; disorganised; difficult to understand the flow.
	1	Very poor presentation; no structure; team failed to communicate ideas.

□ Judges should NOT deduct marks for imperfect English. Confidence and clarity of ideas matter more than vocabulary or accent.

07 SEGMENT 3 — VERBAL COMMUNICATION

This segment evaluates each participant's ability to speak professionally, structure their thoughts, and communicate with confidence on a given topic.

Format

- ▶ Participant/team representative draws a topic from the topic box (random draw)
- ▶ 2 minutes preparation time is given — no notes may be written
- ▶ Participant speaks for 2–3 minutes on the topic
- ▶ Judges observe and score using the rubric below
- ▶ One member per team speaks (organizer may decide whether to rotate or select one)

Sample Topics (Print & Place in Draw Box)

Topic Option A	Topic Option B
Why soft skills matter more than grades	The future of AI in employment in Bangladesh
Why companies prefer skilled graduates over toppers	How communication shapes career success
Leadership lessons from university life	The importance of teamwork in the workplace
Why emotional intelligence is a career superpower	How to handle failure and bounce back
The role of youth in achieving Bangladesh's SDGs	Why lifelong learning is the skill of the future

Scoring Rubric — 20 Marks (4 Criteria × 5 Marks Each)

Criteria	Score	Descriptor — What the judge should look for
Fluency (/5 marks)	5	Speaks smoothly with natural flow and minimal hesitation. Accent is NOT judged.
	4	Mostly fluent with slight pauses or repetitions; overall flow is maintained.
	3	Some hesitation but communication is understandable.
	2	Frequent stops; broken delivery affects meaning.
	1	Very hesitant; mostly incoherent delivery throughout.
Clarity (/5 marks)	5	Every point is crystal clear, well-explained, and easy for the audience to follow without effort.
	4	Mostly clear with minor confusion in one or two points.
	3	Generally understandable but some parts need clarification.
	2	Several points are unclear; audience would be frequently confused.

	1	Unclear throughout; core message is lost.
Structure (Intro-Body-Conclusion) (/5 marks)	5	Clear and logical 3-part structure: strong opening, well-developed body, solid conclusion. Ideas connect logically.
	4	Structure mostly present; one part (usually the conclusion) slightly weak.
	3	Basic structure attempted but incomplete or noticeably imbalanced.
	2	Little structure; jumped between points without clear direction.
	1	No structure; random and disorganised throughout.
Confidence & Delivery (/5 marks)	5	Speaks with strong confidence, good eye contact with judges, and engaging presence throughout.
	4	Good confidence with occasional visible nervousness that doesn't affect delivery.
	3	Some confidence; visible nervousness but managed well enough.
	2	Clearly nervous; struggled to deliver; judges had to prompt.
	1	Very nervous; unable to complete delivery effectively.

□ *Memorised speeches are discouraged. Judges should reward authentic, natural speaking over rehearsed performances.*

08 SEGMENT 4 — JUDGES Q&A

This segment tests how well teams think on their feet. Judges ask short, direct questions and observe the team's real thinking, confidence under pressure, and authenticity of response.

Format

- ▶ Judges ask 2–3 short questions per team after the presentation
- ▶ Any team member may answer; members can also support each other
- ▶ No preparation time — answers must come naturally

Sample Questions Judges May Ask

Q1	Why do you believe your solution will work in the Bangladesh context?
Q2	What is the biggest challenge your solution might face during implementation?
Q3	How would you fund this solution in its first year?
Q4	What makes your team's approach different from existing solutions?
Q5	If you had 6 more months, what would you improve about your idea?
Q6	Which specific SDG does your solution contribute to most, and why?
Q7	What was the most difficult part of preparing this presentation?
Q8	Who is your primary target user or beneficiary, and how did you validate their need?

Scoring Rubric — 5 Marks

Criteria	Score	Descriptor — What the judge should look for
Presence of Mind (1/2 marks)	2	Responds immediately and correctly; demonstrates quick, clear thinking.
	1	Takes time to respond or only partially understands the question.
	0	Unable to respond or completely misunderstands the question.
Answer Relevance (1/2 marks)	2	Answer is directly relevant, complete, and demonstrates real understanding of the topic.
	1	Partially relevant or noticeably incomplete answer.
	0	Irrelevant or no answer given.
Confidence (1/1 marks)	1	Responds with confidence, clear expression, and composure under pressure.
	0	No confidence shown or fails to respond meaningfully.

09 CONNECTIYA COURSES & PROFILE COMPLETION

Connectiya Course Completion — 5 Marks (Verified Pre-Event)

Completion Level	Criteria	Marks
Completed 5 or more Connectiya courses with quizzes	Full engagement	5
Completed 3–4 courses with quizzes	Good engagement	4
Completed 2 courses with quizzes	Partial engagement	3
Completed 1 course only	Minimal engagement	2
Registered but no course completed	No engagement	0

Complete Connectiya Profile — 5 Marks (Verified Pre-Event)

Profile Element	Required?	Marks
Complete personal information (name, contact, photo)	✔Required	1
Updated educational details (university, department, year)	✔Required	1
Skills section filled (at least 3 skills listed)	✔Required	1
CV / Profile completeness score 80% or above	✔Required	1
Professional presentation (bio, profile fully filled)	✔Required	1
TOTAL		5

□ Organizers verify these marks from the Connectiya admin dashboard or participant profile page before the event. Enter the marks directly in the SCOREBOARD column K and L.

10 COMPETITION DAY — RECOMMENDED FLOW

Time	Activity	Details
8:30 AM	Registration	All teams check in. Verify team members are present. Distribute name tags.
9:00 AM	Opening Remarks	Brief welcome by organizer. Explain the day's agenda and segments.
9:15 AM	Judge Briefing	Private 15-minute briefing for all judges using the RUBRIC GUIDE sheet.
9:30 AM	SEGMENT 1 — Aptitude	All participants take the 35-question MCQ test simultaneously. 30 minutes.
10:00 AM	Scoring Break	Organizer/coordinators calculate aptitude averages and enter into Excel.
10:15 AM	SEGMENT 2 — Presentation	Teams present one by one. 5 minutes per team + brief judge questions.
12:00 PM	Lunch / Break	Break while judges finalize presentation scores independently.
1:00 PM	SEGMENT 3 — Verbal Comm	Participants draw topics. 2 min prep, 2–3 min speech. Score on VERBAL sheet.
2:00 PM	SEGMENT 4 — Q&A	Judges ask 2–3 follow-up questions per team. Score on VERBAL & Q&A sheet.
2:30 PM	Score Compilation	All scores entered into Excel. SCOREBOARD auto-calculates totals and rankings.
3:00 PM	Results & Closing	Announce top 3 teams. Certificate distribution. Photography.

□ The timeline above is a guide. Adjust based on the number of teams. Add 5 minutes per additional team in Segment 2.

11 NOTES FOR JUDGES

What to Observe — Presentation Segment

- ▶ Team coordination and how roles are naturally distributed
- ▶ Whether the problem is genuinely important and the solution is original
- ▶ Logical flow of the argument from problem → solution → impact
- ▶ Human empathy: do they understand who suffers and how?
- ▶ Confidence of delivery, not perfection of English
- ▶ Balance of participation: all 3 members must meaningfully contribute

What NOT to Focus On

- ▶ English accent or grammatical perfection
- ▶ Slide design or visual aesthetics
- ▶ Whether the solution is technically complex (simplicity can be powerful)
- ▶ Speed of speaking — clarity matters more than pace

□ *Judge sheets are INDEPENDENT. Judges must not discuss scores with each other until all teams have been scored. The Excel file averages both judges automatically.*

12 FREQUENTLY ASKED QUESTIONS

Question	Answer
Can a team have fewer than 3 members?	No. All teams must have exactly 3 members. A team with fewer members cannot compete.
What if a member is absent on competition day?	The team may still compete but the absent member scores 0 in the Aptitude segment. Their average will be affected.
Can teams present in Bangla?	Teams are encouraged to present in English, but the judges should not penalize Bangla words or Banglish. Clarity and content matter most.
Can two teams present the same problem?	Teams may address the same problem category but must have distinctly different proposed solutions.
What SDG should teams pick?	Any SDG relevant to Bangladesh. SDG 4 (Education), SDG 3 (Health), SDG 8 (Work) are common choices but any SDG is valid.
How many judges are required?	Minimum 2 judges for the Presentation segment. More judges can be added — the Excel will need to be updated to average more than 2.
What if a team doesn't complete Connectiya courses?	They score 0 in that segment. They can still compete and score in all other segments.
Can judges ask questions during the presentation?	Only brief clarifying questions. The formal Q&A (Segment 4) is a separate scored segment.
Is there a prize for the winning team?	Prizes and certificates are at the discretion of the campus organizer in coordination with Connectiya.
Where do final results go?	After the event, share the completed SCOREBOARD Excel with Connectiya for regional aggregation.
